Contributions or gifts to the Peters for Congress Committee are not tax deductible. We may accept contributions from an individual totaling up to \$2,300 per election. An individual can contribute a maximum of \$4,600 to the Peters campaign (\$2,300 for the primary election and \$2,300 for the general election). Federal law prohibits contributions to the campaign from corporations, labor organizations and national banks; from any person contributing another person's funds; from foreign nationals who lack permanent resident status; and from federal government contractors. By signing above, you confirm that your contribution is from personal funds and not from funds otherwise prohibited under law.

If this contribution is from more than one individual, such as from a wife and husband, please provide the requested information and signature from each. If two signatures are provided, you both affirm that your contribution is made from a joint account. To comply with federal law, we must use best efforts to obtain, maintain and submit the name, mailing address, occupation and name of employer for individuals whose contributions exceed \$200 per election cycle.
